Motions to pay invoice and administration costs: Treasurer-Trial Applications-Data Entries-Judges Applications-Course Approval-Web Maintenance-Translations into French

Motions:

1. That we specify in the paperwork for the virtual trial that the corners of the 30 x 30 grid and every 10 feet on each side must be marked so that they are visible on the video to the viewing judge. How they are marked is up to the competitor.
2. That we authorize Julia to make 2 videos:
 - A. on the use of boogie board for judges
 - B. on how to read course maps and build a course
3. That for video trials, the handler will declare at the beginning of their video run that they are working the dog on a legal collar as defined in the Handbook
4. That CARO add C stream for Brace and Team allowing people to work toward Bronze, Silver, Gold and Master Champion in Brace and Team. This is consistent with our current structure. CARO would provide the rosette for the Master Champion Brace and the Master Champion Team as done currently for the regular stream.
5. That motions be open for voting for 10 days from the date the motion is made. Anyone who hasn't voted within that time will be deemed to have abstained. The motion will pass or fail based upon those who have voted.
